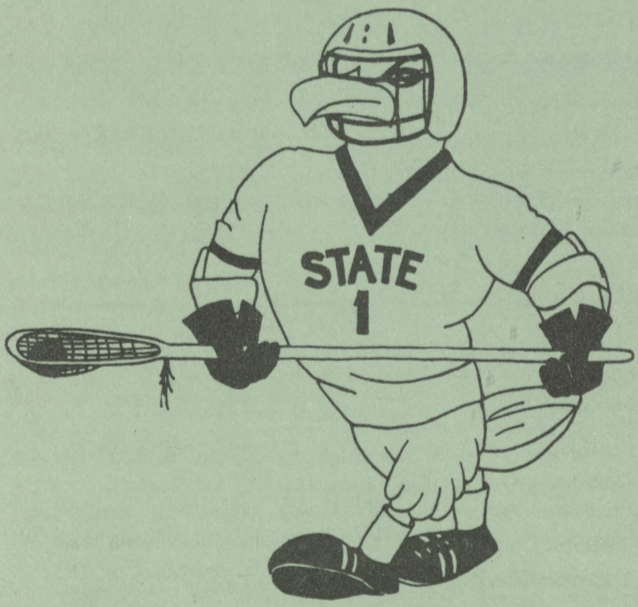
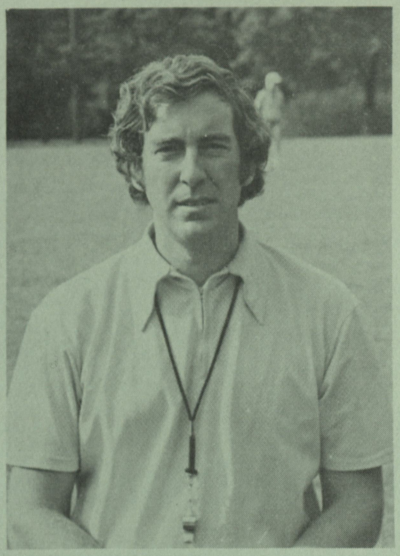
Salisbury State College



Lacrosse '76



Andy Jones

Head Coach

Andy Jones enters his third season of coaching varsity lacrosse at Salisbury State. He will have a hard time equaling last season's remarkable success when he was named USILA College Coach of the Year.

Andy led the Sea Gulls to a 12-2 regular season mark and a bid to the NCAA Division II playoffs. Despite losing to Towson State in the opening round of the tournament, Coach Jones had led the team to 10 straight victories and a much improved season. In only its second year of varsity lacrosse, and third overall, the Gulls had improved from a 5-4 mark the first year.

Andy is well-known for his rapport with his players and assistant coaches. He is also one of the most respected coaches among his peers, as they were the ones to elect him Coach of the Year.

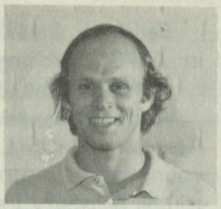
A 1961 graduate of Lehigh, he starred for four years on the Engineers' lacrosse team. He was the highest national collegiate scorer in the United States for three years (1959-61) with 94 goals. He was an honorable mention all-American in 1959 and 1960, a member of the all-Division Middle Atlantic Conference Team in 1960, all-Pennsylvania-Delaware Team in 1959, 1960 and 1961, and high scorer in the North-South game in 1961 with four goals.

After graduating from Lehigh in 1961, he played for the former national power Carling Lacrosse Club. In addition to his playing, Andy has helped with numerous clinics and camps as well as being an author of the STX Lacrosse Guide.

Andy is married to the former Karen Berlin. They have two daughters - Debbie 12 and Stephanie 10.

Assistant Coaches

Tom Leanos



Tom Leanos begins his second year of coaching at Salisbury, working as offensive coordinator this season. A native of Baltimore, Tom's lacrosse experience is varied.

Tom graduated from Baltimore City College High School and went to Baltimore Junior College. He was a member of Baltimore CC's National JC Championship team in 1967. The next season, Tom was co-captain of the team, playing midfield. He was named one of the top midfielders in the Junior College League.

In 1969 and 1970, Tom played for Hofstra University where he was named to the All-Metro team in 1970. He was also selected to play in the North-South All-Star game in 1970.

Since graduating from Hofstra, Tom has played for the Baltimore Athletic Club, the Carling Lacrosse Club and the Maryland Lacrosse Club. In 1970, while playing for the Baltimore AC, he was selected as a member of the North-South Club all-Star team.

This year he is playing for the Eastern Shore Lacrosse Club which is based in Chestertown, Md. He is presently completing his requirements for a Provisional teaching certificate in elementary education.

Tom Korn

Tom brings impressive credentials to his first coaching job. A 1975 graduate of Hobart College, Tom was a two-time all-American defenseman at the top lacrosse school.

A native of Rochester, N.Y., Tom was one of the keys to Hobart's finishing as the runner-up in the last two consecutive NCAA Division II tournaments. Considered a very smart player with good stickwork and great desire, he adds a new dimension to Salisbury's coaching staff. Tom was captain of Hobart's 1975 lacrosse team.

In addition to his duties as lacrosse coach, Tom spent the fall working with the linebackers on Salisbury's 7-3 football team. He was captain of Hobart's 1974 football squad which finished with an 8-1 record. He was named to the all-ECAC and all-ICAC teams his senior year.

Tom was named the Athlete of the Year at Hobart in 1975. Tom is working toward his master's degree in education at Salisbury State.

'76 Sea Gull's Prospectus

Salisbury State's lacrosse team will have a tough time in 1976 matching last year's amazing success when it went 12-2 on the season and gained an NCAA Playoff bid.

Andy Jones, the United States Intercollegiate Lacrosse Association (USILA) College Coach of the Year, has a young squad returning and a more difficult schedule. This will be Salisbury's third year of varsity lacrosse.

"I'm cautiously optimistic," says Jones. "We have an excellent attitude with lots of enthusiasm, but we will have our hands full. We are playing five of last year's top ten College Division teams on the road, and we have upgraded our schedule overall." He added: "We are young with 29 freshmen and sophomores on our 39 man squad. We have a lot of unheralded high school athletes with good athletic ability who will have to develop if we're to do well."

Last year, Salisbury State finished the season as the 6th ranked team in the College Division. The Gulls played in the first round of the NCAA Playoffs, losing to Towson State, 17-7.

Heading the list of returning veterans are junior co-captains Dave Cottle and Jim McKittrick. Cottle was the highest scorer in the Nation with 52 goals and 51 assists for 103 points, only the third man in lacrosse history to score more than 100 points. For his outstanding play, the attackman was named to the Baltimore Sun Papers First all-American team, honorable mention all-American and all-Mason-Dixon Conference. Cottle is expected to lead the attack again this season.

McKittrick will lead the veteran defense. The all-American candidate usually covers the opponents' best attackman. The other defensive players returning include senior Robb Sartorio, sophomore Scott Lathroum and goalie Dave Hearn.

Hearn is considered one of the best goalies in the nation, after having an outstanding sophomore year. The No. 2 goalie spot is being fought for by three young, talented players. Their development will determine their position as the season progresses.

Sartorio is a veteran with plenty of playing experience. He is known for his consistent play at the center of the Gulls' defense. Lathroum saw plenty of action last season as a freshman, stepping into the starting lineup midway through the season. He has improved tremendously and should play a key part in Salisbury's plans. Other top defensemen include junior college all-American Steve Pappas and freshman Sal Filippelli.

"We are placing more emphasis on defense," commented Jones. "We have added some new wrinkles along with a new defensive coach, Tom Korn." Korn, a two-time all-American defenseman, graduated from Hobart College in 1975.

The midfield should be improved over last year with the addition of some junior college players, freshmen and the seasoning of some of last year's newcomers. Sophomore Marc Hoffman, an all-American candidate will lead one of the midfields. He will be teamed up with sophomores Larry Redding and Stewart Moan.

Another midfield will be composed of veterans Jim Hively, Barry Bosley and Jeff Douglas. Others sure to see duty at midfield include sophomores Mark Roskam and Jim Perouty, junior college all-American transfer Chuck Markiewicz as well as a whole crop of freshmen. Freshmen include Brian Clarke, Bob Battelli, Dave Contrino, Mike Morgan, Jim Peters and Tom Brown.

With the whole first midfield gone from 1975, the Sea Gulls are looking for this veteran group to provide guidance to the younger players. Douglas was Salisbury's top scorer and player in its first season of varsity lacrosse. After a year off, he returns, moving to the midfield after playing attack.

The attack will be headed by Dave Cottle. Sophomore Bob Rohle returns to the crease although he is getting a strong push by senior Charlie Janson. Top newcomer to the attack is junior college all-American Dennis Rogers. He will fill the place vacated by the graduated all-American Robbie White. Rogers played midfield at Nassau CC, but he has a great shot and the necessary stick-work to play attack. Two freshmen, Carl Balton and Kevin Bracken, should also see duty at attack.

In addition to Coach Andy Jones and Tom Korn, the team will have Tom Leanos coaching the offense and 1975 Salisbury State graduate Greg Mayne working with the goalies.

This year's schedule includes away games with UMBC, Towson State, University of Baltimore, Morgan State and Washington College. Jones notes: "We will have to do very well at home and hope for the best when on the road. It is going to be a tough season, but if our freshmen do the job well and develop quickly, we can do well."

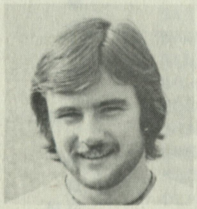
Players

Dave Cottle - Co-Captain Attack - Junior — Dave returns after an outstanding sophomore year. Named an honorable mention all-American, Sun Papers First Team all-American and all-Mason-Dixon Conference, Dave was the top scorer in the Nation, scoring 103 points. He became only the third player in lacrosse history to exceed 100 points in one season. Dave possesses an excellent awareness of developing situations and is one of the team's leaders on and off the field. He is expected to have an even better year in 1976.

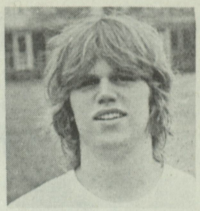
Jim McKittrick - Co-Captain - Defense - Junior — Jim leads the veteran defense which returns intact from 1975. Given the job of guarding the opponent's top attackman, Jim responds with outstanding performances game after game. He has great speed and an excellent stick. Jim is an all-American candidate as one of the top defensemen in the college division.

Barry Bosley - Midfield - Senior — Barry starts his third season at Salisbury after transfering from Catonsville CC. The 1974 team captain, he possesses a blazing shot, much respected by opponents. He will lead one of Salisbury's midfield units.

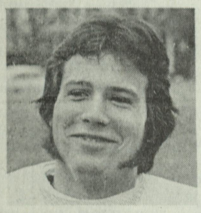


Jeff Douglas - Midfield/Attack - Junior — The leading scorer on Salisbury's 1974 team, Jeff returns to action after a year's absence. Jeff is extremely quick with a good stick and a blazing shot. He has been working hard in the off season to make the transition from attack to midfield. Jeff should make Salisbury's offense stronger than ever.

Players

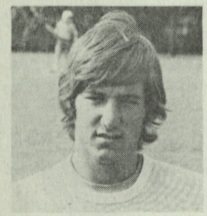


Dave Hearn - Goal - Junior — A former all-Baltimore County goalie, Dave matured greatly in 1975, taking over the starting job in the 4th game. The Gulls did not lose another regular season game. The best game of Dave's career was a 28 save day against Washington College. Dave is one of the best clearing goalies in the country and an all-American candidate.



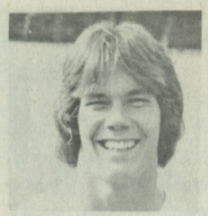
Jim Hively - Midfield - Senior — Jim possesses the experience needed to carry the winning 1975 experience to the young Salisbury Team. He is a strong face-off man who provides a big target for any feeding attackman when on offense. He will play a big part in the Gulls' versatile offense.

Marc Hoffman - Midfield - Sophomore — The leading midfield scorer last year, Marc is again expected to lead one of Salisbury's midfield units. He was awarded the Gulls' Silver Scoop award as the leading ground ball man on the team last year. Marc is a constant scoring threat. He had a six-goal game against Ohio Wesleyan last year. He is a top all-American candidate.

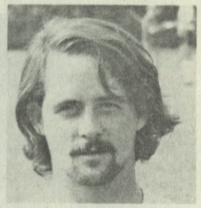


Scott Lathroum - Defense - Sophomore — Scott earned a starting position midway through the 1975 season. He had some outstanding performances last year and he is being counted on heavily in 1976. Hard work over the summer has paid off for Scott as he is one of the most improved players on the team.

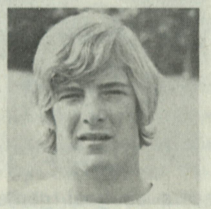
Players



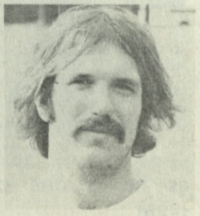
Larry Redding - Midfield - Sophomore — Larry returns to his second season at Salisbury with renewed desire and hustle. The top defensive midfielder last year, Larry was called on to guard the opponents' top midfielders. He did an excellent job on defense and with a little more offense, he will be a top all-around player.



Dennis Rogers - Attack/Midfield - Junior — An all-American at 1975 National Junior College Champion Nassau CC, Dennis should add a new dimension to Salisbury's offense. He has an excellent stick, good speed and can play either attack or midfield. He is a constant scoring threat and is expected to see plenty of action, particularly on attack.



Rob Rohde - Attack - Sophomore — Rob was a great asset to the team in 1975, maturing tremendously. He aided the team a great deal on offense and with loose balls. He has good, quick stick with either hand, making him a viable scoring threat. Rob is expected to provide more scoring this season from his crease spot.



Robb Sartorio - Defense - Senior — The only remaining player from Salisbury's first season (1973), Robb has the versatility to play any position. A smart player with deceiving speed, Robb will probably "quarterback" the defense again this year from the crease.
